Appraisal & Valuation Consultants Ltd

Annual Review 2011

*We Value Your
Business*

VALUE AND SERVICE ARE AT THE HEART OF OUR BUSINESS

AVC Ltd

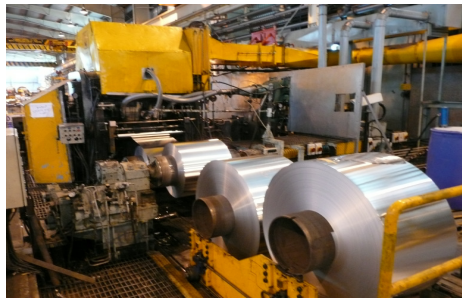

AVC continued in 2011, where 2010 left off. The team have been extremely busy, working in some far flung places (Pakistan, Indonesia, Vietnam, Papua New Guinea) as well as our favourite haunts (Qatar, Bahrain, Thailand, South Korea).

AVC undertook some unusual valuations in 2011, including a deep water diving school, a sugar refinery and a claim at LNG Terminal. We also saw our regular industries well represented including Refineries, LNG facilities, Petrochemical Plants and Power Stations.

2011 saw personnel changes at AVC. We welcomed Michael Cross as a Valuation Engineer, who studied Mechanical Engineering, and Paul Davies as our Marketing Consultant, who worked for Miller, Marsh and Minets for over 30 years as a broker in the Energy division and Ashley Wall as Marketing Executive who worked in PR for Adidas, Help for Heroes and the Ryder Cup.

AVC started Asian Valuation Consultants Co. Ltd, and opened an office in central Bangkok. This is proving to be an interesting venture, and we look forward to further developing valuations throughout the region.
